## DETAILED ACTION

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter Kraguljac on October 20, 2005.

5. Claims 1 and 16 have been amended as follows:

Claim 1. (Currently Amended) A computer implemented method of generating an index to provide access to a database where the database includes structured data columns and unstructured data columns, the method comprising the steps of:

identifying one or more unstructured data columns and one or more structured data columns from the database;

generating a combined index of the unstructured and structured data columns, the combined index providing associative access to the database using a query that includes both unstructured conditions and structured conditions.

Claim 16. (Currently Amended) A computer implemented method of searching a data table having at least a column of structured data and a column of unstructured data, the method comprising the steps of:

Art Unit: 2167

converting the unstructured data into a structured-like form;  
generating an index structure based on the converted unstructured data and the structured data; and  
searching the data table using the index structure in response to a query having conditions from both the unstructured data and the structured data.
